## 2. FURTHER ACTION

If a demand for international preliminary examination is made, this opinion will be considered to be a written opinion of the International Preliminary Examining Authority ("IPEA") except that this does not apply where the applicant chooses an Authority other than this one to be the IPEA and the chosen IPEA has notified the International Bureau under Rule 66.1bis(b) that written opinions of this International Searching Authority will not be so considered.

If this opinion is, as provided above, considered to be a written opinion of the IPEA, the applicant is invited to submit to the IPEA a written reply together, where appropriate, with amendments, before the expiration of 3 months from the date of mailing of Form PCT/ISA/220 or before the expiration of 22 months from the priority date, whichever expires later.

For further options, see Form PCT/ISA/220.

WRITTEN OPINION OF THE  
INTERNATIONAL SEARCHING AUTHORITY

International application No.

PCT/US04/33343

Box No. 1 Basis of this opinion

1. With regard to the language, this opinion has been established on the basis of the international application in the language in which it was filed, unless otherwise indicated under this item.

- ☐ This opinion has been established on the basis of a translation from the original language into the following language \_\_\_\_\_, which is the language of a translation furnished for the purposes of international search (under Rules 12.3 and 23.1(b)).

2. With regard to any nucleotide and/or amino acid sequence disclosed in the international application and necessary to the claimed invention, this opinion has been established on the basis of:

a. type of material

- ☐ a sequence listing  
☐ table(s) related to the sequence listing

b. format of material

- ☐ in written format  
☐ in computer readable form

c. time of filing/furnishing

- ☐ contained in international application as filed.  
☐ filed together with the international application in computer readable form.  
☐ furnished subsequently to this Authority for the purposes of search.

3. ☐ In addition, in the case that more than one version or copy of a sequence listing and/or table relating thereto has been filed or furnished, the required statements that the information in the subsequent or additional copies is identical to that in the application as filed or does not go beyond the application as filed, as appropriate, were furnished.

4. Additional comments:

WRITTEN OPINION OF THE  
INTERNATIONAL SEARCHING AUTHORITY

International application No.  
PCT/US04/33343

Box No. V Reasoned statement under Rule 43 bis.1(a)(i) with regard to novelty, inventive step or industrial applicability; citations and explanations supporting such statement

1. Statement

Novelty (N)

Claims 1-9 YES  
Claims NONE NO

Inventive step (IS)

Claims 1-9 YES  
Claims NONE NO

Industrial applicability (IA)

Claims 1-9 YES  
Claims NONE NO

2. Citations and explanations:

Claims 1-4 meet the novelty, inventive step, and industrial applicability criteria under PCT Article 33(2)-33(4) because an apparatus for combining delivery of first objects from a first transport conveyor with second objects from a second transport conveyor including the combination of elements as set forth in the claims, is not taught nor fairly suggested in the prior art.

Claims 5-7 meet the novelty, inventive step, and industrial applicability criteria under PCT Article 33(2)-33(4) because a system for pressing tortillas including the combination of elements as set forth in the claims, is not taught nor fairly suggested in the prior art.

Claims 8-9 meet the novelty, inventive step, and industrial applicability criteria under PCT Article 33(2)-33(4) because a method for combining delivery of first objects from a first transport conveyor with second objects from a second transport conveyor including the combination of steps as set forth in the claims, is not taught nor fairly suggested in the prior art.
